

# Acrylite<sup>®</sup> SG

ACRYLIC SHEET

**flexible sizing  
reduced scrap  
improved yields**

**REELS!**

**ACRYLITE<sup>®</sup> SG acrylic sheet, the Universal Acrylic Sheet for the Sign Market, is now available on REELS!**

Developed specifically for signage applications, ACRYLITE SG sheet offers superior durability, weather resistance, ease of fabrication, and color consistency. ACRYLITE SG sheet provides many times the impact strength of standard acrylic and offers superior weatherability and protection against surface marring compared to polycarbonate. ACRYLITE SG sheet resists chipping and its superior impact strength translates into less breakage during production, shipping, and installation for lower total cost-of-use.

***The Universal Acrylic Sheet is now available on Reels!***
