Tri-Guards – Polycarbonate Corner Protectors

Corners aren't just places where walls meet. They are places that meet with lots of abuse. With Tri-Guards in place however, traffic related damage comes to a halt. The near indestructible polycarbonate plastic used in car bumpers among other things. Tri-Guards are easily installed in minutes and are guaranteed to last years without cracking, chipping, warping or yellowing. Mounting hardware is included. Maintenance is a simple soap and water operation.

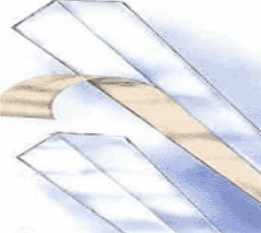

Tri-Guards are Americas best selling brand of corner protectors. Invisible good looks are Tri-Guards trademark. The clear version of Tri-Guards have been so popular over the years, they are now joined by Tri-Guards in colors-- a whole spectrum of color. And the color you specify is the color you get. Colored Tri-Guards will blend right into your decorating scheme. Check for quantity requirements on color orders. Clear or in color Tri-Guards are nearly invisible.

Tri-Guards Stick Um Ups- The quick fix that lasts for years

There's never a holdup in corner protection with Tri-Guards Stick Um Ups. In seconds, you can peel away the backing strip, position the unit and apply gentle pressure along its length to assure a permanent installation. Priced for savings, these durable clear plastic corner protectors are highly resistant to cracking, denting and yellowing. Keeping them looking their best year after year requires nothing more than occasional damp sponging. For economy minded customers our Self Stick Um Ups are virtually a steal !
